

ON-SITE SUPPLY & FITTING SERVICE FOR REPLACEMENT FREEZER & FRIDGE DOOR SEALS

Bad Seal

Did you Know?
A split or damaged seal makes your equipment use **3x** more energy.

Good Seal

Reduce Costs

Up to 40% less cost than other replacement solutions in the market

Reduce Response Time

Immediate supply and fit of commercial fridge and freezer door seals

No Call-out or Labour Fees

A fixed price for each seal is all you will pay.

One Company

Nationwide network of mobile workshops
